

Approved Manufacturer of Steel Plates, Strip, Sections & Bars

Manufacturer	CMC Poland Sp. z o.o.
Address	Ul. Pilsudskiego 82, Zawiercie, 42-400, Poland
Type	Sections Steel Making Semi-Finished Products

This approval is subject to compliance with the Rules for the Manufacture, Testing and Certification of Materials. The full details of the processes and grades to which this approval applies are given on subsequent pages of this certificate.

This certificate is issued to the named manufacturer, and is valid until the expiry date specified. Lloyd's Register is to be notified of any change that may affect the validity of this certificate, and reserves the right to cancel or withdraw this certificate.

Approval Notes **Approval for sections covers wide flats to 200mm width and flat bars to 150mm width.**

Billets approved up to 160mm x 200mm section size.

Steel types carbon and carbon-manganese cover the supply of blooms/billets for processing into normal strength, high strength and ferritic steels for low temperature service according to the Society's Rules for the Manufacture, Testing and Certification of Materials, Chapter 3. The final processing mill is responsible for ordering steel which complies with their approved chemical composition and enables them to achieve the required mechanical properties

71 Fenchurch Street, London, EC3M 4BS, United Kingdom
